

Airbnb appliance instructions template

Example: The Blue Cabin

GETTING AROUND THE HOUSE

Thermostat: hallway wall, set to "Auto" and leave it, adjusting the target temperature is fine

TV: press the Roku remote's home button, our Netflix and Hulu are already logged in

Washer/dryer: in the closet by the kitchen, detergent pods are on the shelf above, dryer takes about 45 minutes

Coffee maker: pod machine on the counter, pods are in the drawer below it
