

Airbnb check-in instructions template

Example: The Blue Cabin

CHECK-IN

Check-in time: 4:00pm or later

How to get in: enter code 4281 on the keypad by the front door, then turn the handle down. The code is active starting at 4pm on your check-in day.

Parking: in the driveway, on the right side, not blocking the garage.

If the code doesn't work, call or text me at [your number], I'll answer.
